PATIENT CARE EXPANSION UPDATE

Less Wait, Less Travel, More Access to Exceptional Healthcare

April 19, 2024 Update

Design & Space Planning Updates

- Jeannie Eylar led a series of three 2-day “Functional Space Team” workshops with employees and architects and site visits to other facilities.

Schematic Design Workshop 1: January 18-19

Schematic Design Workshop 2: February 13-14

Schematic Design Workshop 3: March 25-27

- On April 26th, the Functional Space Team’s 3 months of work is slated to produce updated schematic designs! These will be shared with department directors early May and at the May All Staff.

ENT Construction Updates

- Palouse ENT and Audiology, a member of the Palouse Specialty Physician group, is growing with the addition of Dr. Joyce Brackebusch (part-time) and through recruitment of a full-time ENT. Construction to expand the Pullman office is slated for this summer and fall. More detailed information on the timeline and areas impacted will be shared when available.

Funding

- Funds raised at the Foundation’s Annual Golf Classic, slated for July 13, will support the expansion project. Registration will open in May.

Contractor & Project Management

- The “kick-off” meeting with our newly named contractor, Bouten Construction, was held April 2nd.
