

## Speech Sounds Visualized Privacy Policy

Speech Sounds Visualized values your privacy. We do not collect any personal information when you download our Application (App). Ours is a single purchase App that does not require login information. We do not have subscriptions; therefore, we do not have accounts. All pertinent information is held by Apple. Please refer to Apple's privacy policy for details related to how Apple uses your information.

Apple provides Speech Sounds Visualized with data and analytics related to number of downloads and countries in which our App has been downloaded. The only way to know more about our users is through our users contacting us and volunteering that information. If you elect to share personal information with us, we do not share this with 3<sup>rd</sup> parties.

If you have additional questions or concerns related to our privacy policy, please feel free to contact us. We will get back to you promptly.
